### From Our Chair...

Dear Friends,

A special thanks to all who supported our 13th Annual Starlight Gala event. With over \$250,000 raised for Sumner Hospice, words cannot express our appreciation for your continued support of this very worthwhile cause.

The Starlight Gala was host to over 500 guests at the Hilton Nashville Downtown this year. The guests were among the first to view the architectural rendering of the long awaited hospice house that is to be constructed in Sumner County.

As plans for the hospice house capital campaign unfold, we will continue to keep our supporters informed. We look

forward to realizing the dream of constructing a hospice house in the very near future.

Sincerely,

David Bate Parsons

## Starlight Gala and Stellar Tribute Exceeds Goals

More than 500 supporters of the Sumner Foundation attended the 13th annual Starlight Gala & Stellar Tribute on Saturday, April 5th, an event that honored the work of Tommy and Grace Tomkins and netted \$250,000 for Sumner Hospice in Gallatin.

The event, which was held at the Hilton Suites Nashville Downtown, included silent and live auctions, dinner, and dancing. The highlight of the evening was the video commendation of the Tommy and Grace Tomkins as the 2008 Stellar Tribute honorees.

William T. Sugg, President and CEO of Sumner Regional Health Systems (SRHS),

thanked Tommy and Grace for their contributions to the community. In addition to the Stellar Tribute, both Tommy and Grace have received numerous special accolades for volunteer work and community advocacy.

Another exciting point of the evening was the unveiling of the rendering for the new Sumner Hospice House, the next major fundraising campaign project for the Sumner Foundation. In 2006, SRHS received a certificate of need from the State of Tennessee to build a residential hospice in Sumner County. Planned to be located on Highway 31-E in Gallatin, the

hospice house will feature around-the-clock hospice care in a comfortable setting, allowing continuous access for loved ones during stressful times.

Special thanks to the sponsors, donors, attendees, and dedicated event committee for the unbelievable success of this year's Gala.

Tommy and Grace Tomkins, 2008 Stellar Tribute Honorees; Mr. Charles Hagood, Starlight Gala Chairperson; and William T. Sugg, SRHS President & CEO.

Dr. Ray Pinkston and wife, Carrie, enjoy the gala festivities.
